FOR THE  
BENEFIT OF THE SERVICE.

TELEPHONE No. 600.

This new department has been recently organized, with Mr. D. F. Lehigh as Superintendent, and a corps of efficient inspectors, with the special object of giving as far as possible the best service to each of our subscribers; and we earnestly hope you will co-operate with us by making all complaints regarding instruments, lines or service, to Mr. Lehigh, and not to the operators, who are always too busy to do anything but answer calls.

By calling up telephone number 600 you will be put in direct communication with this department, the duty of which is to attend to each complaint, no matter how trivial.

The office of this department is room No. 106, sixth floor, Telephone Building, and our subscribers will be welcome at all times to this office, which overlooks the Switching Room, as well as the Underground Cable Room, and will give a fairly good idea of the system.

JNO. I. SABIN,

General Manager.
