**E**VERY ONE likes to trade in a handy store. A handy store is a store that isn't everlastingly "just out" of good things. A handy store always has a full line of good goods. It's the things that are wanted badly that stores show their wit and grit in keeping.

Our STATIONERY is always wanted, also our PRINTING and our BLANK BOOKS. We show our wit by always having them to sell. No grit necessary to buy them. They are always in demand.
