The Credit Foncier

TELEPHONE
CLAY 791

A JOINT STOCK COMPANY

AUTHORIZED CAPITAL, \$5,000,000.00

SHARES, \$100.00 EACH

Especially designed for the safe and profitable investment of the wealth of the capitalist and the savings of persons of limited means.

In addition to Building Society business, this company, like the Credit Foncier of France, is empowered by its charter, to undertake Real Estate, Commission, Brokerage, Title Insurance, Endowment and all kinds of financial operations.

The attention of capitalists is called to this feature, as it can be made enormously profitable.

N. B.—Capitalists subscribing sufficiently will be made Directors of the company.

SUBSCRIPTION BOOKS NOW OPEN

I. Permanent shares not withdrawable, dividend earning like Bank shares.

II. Accumulating shares withdrawable with profits at maturity or sooner if subscriber desires, payable by monthly installments of \$1.00 or more or less as subscriber may choose.

III. Bonds of \$10.00 to \$100.00 each; one year bonds bear 6%; bonds over one year bear 6% and receive a share of the profits.

Dayton plan of payments, optional at subscriber's choice. No entry fees, no fines, no forfeitures
