

THE GREAT

Majestic Malleable Iron and Steel Range

Does the Work in **HALF** the Time
and with **HALF** the Fuel

LEWIS E. SPEAR CO., Sole Agents
37 Market Street Tel. Main 5814

Majestic Ranges are made of **MALLEABLE IRON** and **STEEL**, 10 to 50 per cent. heavier throughout than any other: will last a lifetime, will not crack, break, or subject you to the expense and annoyance of every other cooking apparatus, and will heat double the quantity of water, because the **MAJESTIC** water front has double the radiating surface and does not interfere with the oven or fire-box.
