Send for descriptive literature.  
Special low rate round trip ticket.  
T water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, and which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.
