These Schools prepare pupils thoroughly for commercial pursuits in all lines; also for practical work in all the Engineering professions. The success of their graduates is well known to the whole community.

### HEALD'S COLLEGE

Has become a household word all over the Pacific Coast, as it has stood in the front rank of our Educational institutions for forty-three years.

### PUPILS CAN ATTEND EITHER SCHOOL.

Pupils paying at one school can attend the other school if found more convenient. Both schools are thoroughly up to date in their methods.

### POSITIONS FOR GRADUATES.

The Heald Colleges have always made it a point to take care of its pupils and to furnish situations to all worthy graduates. No pains will be spared in the future to find employment for those who attend any of its Associated Colleges.

### HEALD'S SCHOOL OF ENGINEERING

Gives pupils a scientific and practical training in Mining Engineering, Electrical Engineering, Civil Engineering, Steam Engineering and Gas Engineering.

### RATES OF TUITION

Are as low as is consistent with first class instruction. The **HEALD** Schools stand for **quality**, and any one patronizing them knows he will get the best that is to be had in the Educational line. This is why their graduates are invariably successful in their callings.
