WHY THE TELEPHONE DIRECTORY IS THE BEST ADVERTISING MEDIUM BECAUSE

1. It is regularly SENT TO THE BUYING PUBLIC.
2. It is also KEPT BEFORE THE GENERAL PUBLIC.
3. Every book printed is USED CONSTANTLY.
4. Every book printed is KEPT AT HAND until replaced by a still larger one — never thrown away.
5. The directory is recognized as THE ONLY CORRECT, COMPLETE and UP-TO-DATE LIST of business concerns and is referred to as such in preference to any other list.
6. For permanent advertisements, or business cards, it combines all the ADVANTAGES OF OTHER MEDIUMS with none of their objections.
7. Not to be in the telephone directory is NOT TO BE IN BUSINESS.
