THE "WATSONITE" FLOOR

Drop a postal, or phone for sample and booklet. "Watsonite" is different from any other flooring. Where other floorings begin to give way—at that point "Watsonite" just begins to show what its enduring powers are. For stables, breweries, balconies, sidewalks, lavatories, etc.—the ideal flooring for all purposes. Makes any basement as dry, warm and comfortable as any story above ground. One solid flooring—no joints, no seams, no cement.
