

Commercial Artists

We design business stationery, covers, labels, birdseye views of real estate tracts and manufacturing plants.

We illustrate catalogs and booklets of every description and make advertising designs for all purposes.

Photo-Engravers

We are specialists in the higher grade half-tones. We are also makers of zincos, color plates, embossing dies and cuts of all descriptions.

Commercial-Photographers

We photograph merchandise, buildings, views of suburban tracts and any object or commodity for commercial purposes or reproduction.
