

**O. E. EVANS**

ARCHITECT  
 (N. C.)

MONEY LOANED FOR BUILDING PURPOSES

OFFICE

2367 MISSION STREET

BET. 19TH AND 20TH STS. SAN FRANCISCO

**ARCHITECT'S PLANS**

AT

**REDUCED RATES**

**I** HAVE drawn plans and made specifications for over 1500 buildings in San Francisco and California within the last five years, and have not had any dissatisfied client, and am now prepared to furnish Plans and Specifications at a considerably lower rate than is usually charged. I will also compete with other architects on any building to be erected. The small home-builder or client, in city or country, will receive just as much attention and courtesy as the prospective building of a hotel or apartment house; nothing being too small or too large for my ability.

I will make plans and steel drawings, if desired, without insisting upon superintending the work, but will always give expert advice, free of charge, to any builder using my Plans and Specifications. Sketches and full information furnished by mail.
