**KROGH PUMP AND
MACHINERY CO.**

147-159 BEALE ST.

SAN FRANCISCO - - - - CALIF.

JACKSON HORIZONTALLY SPLIT DOUBLE SUCTION PUMP

Some Points Worthy of
Consideration

High efficiency--Self balancing
-- Self contained--Self oiling
bearings--Water sealed stuffing
boxes--Short distance between
bearings -- Interior readily ac-
cessible -- No interference with
suction or discharge flanges
when opening up pump.
