

## INSURANCE DEPARTMENT

### *Is Your House In Order?*

When the time comes that your affairs become the affairs of your ESTATE, will your insurance provide:—

1st—Ready cash to pay your debts, inheritance taxes and other claims, leaving your estate intact for your beneficiaries?

2nd—Monthly incomes for your children, for the education you plan to give them?

3rd—Permanent monthly income for your wife, making her independent of her children for all time?

NORTHWESTERN will write these settlements into the policies, so that your purposes in life will be carried out if you do not live to see them through.
