

They make driving better

GET ALL THREE

FLYING A, the aero-type gasoline with Tetraethyl is equi-fractionated for perfect balance in all performance characteristics. You'll get more miles of smoother, quieter driving with *FLYING A* —the Pacemaker.

NEW CYCOL Motor Oil cuts oil-drag, increases speed and gas mileage. Reduces wear. Impurities that drag down power and waste gasoline have been removed by Cycol's solvent-refining.

SMILING Associated Service gives you extra-helpful attention from friendly dealers who consistently go beyond the ordinary rules of service. Each dealer owns his own business, is building it up on satisfied customers.
