Learn to Do Your Work Accurately

We are continuously unable to fill the unprecedented demand for both men and women Heald trained in

## Business or Engineering

Improve your position, enjoy the better things of life, and earn more money, by making yourself worth more to yourself and to your employer. Visit the College during class sessions, either Day or Night, and convince yourself.

The Heald Placement Bureau is open both Day and Night Sessions. Here you are assisted, without loss of position, in the work you are doing or placed in a better position.

Office Workers and Engineers are in tremendous demand. Take advantage of the hours 7 to 9 at Heald Night School and prepare for the job ahead. Night School Training will get you out of the rut—puts you ahead of the untrained.
