For the Relief of Inflammation and Distress

- CONSTIPATION:** Relief, without distress or after effect, in a matter of twenty to thirty minutes. Tends to restore normal bowel muscle action. Invaluable in cases of heart trouble, high blood pressure, hardening of the arteries and for the bedridden.
- HEMORRHOIDS:
PROCIDENTIA RECTI:** (Internal, external, strangulated, ulcerous) immediate relief permits bowel movement without straining or pain.
- COLITIS:** A case of eleven years standing was given relief overnight.
- PROSTATE:** Either swollen or shriveled respond promptly. The first application usually obviates the use of a catheter.
- LEUCORRHEA:** Uterus, cervix, tubes, ovaries react in from one to five weeks.
- VAGINAL ODORS:** Eliminated at first application.
- MENSTRUAL PAINS:** Greatly reduced the first period with entire relief by the second and third periods.
- MENOPAUSE:** Calms the patient, relief is generally experienced.
- SYMPTOMS:** Many symptoms, such as indications of heart trouble, are relieved through the toning up of the system and elimination of one or more of the disorders.
RE-VI-TAL is prepared in suppository form for insertion into the vagina and/or rectum.
- DIRECTIONS:** For directions and probable reactions see separate sheets.
