

**T**he stage coach—the strong box—the shotgun messenger are gone.

They live today only in memory and in the relics of the Wells Fargo Historical Collection.

But the efficiency...the dependability...the exceptional service that won Wells Fargo its reputation in the early West...these are still at your command.

Visitor in San Francisco? Be sure to see all the mementos of the exciting Old West on exhibit in the History Room at our Montgomery Street office—open every banking day from 10 to 3.

*You'll always be welcome at Wells Fargo!*
