

Why fret before you fly?

*Get to SF International the quick, low-cost way:
aboard a comfortable samTrans coach.*

*samTrans makes frequent, direct Airport departures from
downtown and from the Daly City BART Terminal.*

No more nerve-wracking freeway congestion...no anxious hunt for an expensive parking space...no cross-country run to the ticket counter. Instead, cruise to the airport with samTrans from the Transbay Terminal or from any samTrans stop in the Financial District or along Mission Street. And on your return trip, board a samTrans bus on the Airport lower level direct to Daly City BART or downtown San Francisco.

**samTrans will take you on down the Peninsula, too.
Our Telephone information Center will help you plan your trip.**
