PROFESSIONAL TRAINING FOR A CAREER IN TRAVEL

The travel industry is constantly growing and becoming more complex, creating an increasing demand for new employees who are expertly trained and seriously dedicated to a career in travel. Our graduates have proved that the Echols course provides the high caliber of professional training required to meet this need.

Our basic curriculum covers all aspects of travel in a 180 hour comprehensive workshop course. An optional 40 hour computer course is also available to graduates and travel agents.

Day Or Evening Classes - Time Payment Available
