Good neighbors are considerable party-line users. Remember these party-line golden rules:

- Space your calls instead of making several of them without a break.
- Talk only as long as you have to on each call.
- When you finish talking replace the receiver properly.
- Make certain, if you are using a dial telephone, that the line is clear to receive your call.
- Ask your youngster not to monopolize the telephone.

*for*  
**Your Convenience**

Directories for other cities are available in the Business Offices and at attended public telephone stations.
