**City Government Offices**  
 See Alphabetical Directory under "Name of City"

If you're not sure of a telephone number, please try the Directory first. The chances are that the number is listed, and if you can avoid that unnecessary call to Information, it's just that much time saved all around.

Books, ash trays, ornaments can keep your telephone "off the hook." In that case it's "busy" or "out of order" to anyone who calls. Please keep objects from under your telephone.

**When Looking for a Dealer in your Neighborhood**

Time and effort may be saved if the article or service you want to buy can be found in your neighborhood. You'll find the location of your neighborhood dealer when you
