Everything possible is being done to furnish you the prompt and courteous service to which you've been accustomed. When there is a delay before you get the operator, remember that more people are placing more telephone calls than ever before.

*Always*  
**KEEP RECEIVER ON THE HOOK**  
When you are through talking on the telephone, always see that you place the receiver back on the hook. Otherwise you may miss an important call.  
**THE PACIFIC TELEPHONE AND TELEGRAPH COMPANY**
