

Voice Highways

Town, county or state boundaries are not the boundaries of telephone service.

Stretching from each telephone to every other telephone there is a voice highway. Its use may be had for the asking.

On these highways there may be business waiting—there may be the pleasure and comfort of friendship and affection.

Long distance rates vary during the twenty-four hours of the day, and also change according to the class of service desired. The telephone directory gives full information.

Every Bell telephone is a Long Distance station.
