

TREATMENT OF YOUR SCALP

Even after your hair has become noticeably thin or has disappeared entirely, IVY HAIR TONIC SHAMPOO will positively accomplish the following results:

1. Will absolutely cure and prevent Dandruff and Scalp Diseases.
2. Will absolutely stop falling hair.
3. Will positively GROW Hair.

A prolonged course of costly treatments is not necessary, but it is advisable that you take one or two preliminary treatments at our hands to show you the correct method of application, and thereafter you can obtain the same results by following our directions and allowing your scalp 15 minutes daily.

Especially recommended after sickness. One treatment will prevent hair from falling out. We teach you how to use the treatment at home. Free consultation.
