Successor to The W. A. Wolf Detective  
Service

We do not wish to say what we have done  
in the past, let it be by gone, but what  
we do want to do is what you pay to have  
done. Then it will be soon enough to let  
our clients judge for themselves. We do not  
claim to get evidence in all cases; there are  
some things that do not happen, even though  
a person's actions show symptoms of being  
distracted; but whatever happens, you will  
get a true report of their standing. The thing  
is, are they treated by you, and if they are,  
you do not need our service, but if  
at any time things don't look just right, slip  
into our office and talk it over, and if it  
doesn't sound good, we will help you solve  
your problems. All consultations handled per-  
sonally by me and are free of charge.

Our offices are in the Forum Building
