Modern Curtain Cleaning Methods

—Every curtain measured before
washing, then dried exactly to the
original size.

—Scallops shaped perfectly; cor-
ners made square and true. No
pins or hooks used which might
tear or otherwise mar the curtains.
—The result will be a wonderful
improvement in your hangings
after such careful finishing as this,
preceded by a gentle, refreshing
bath in pure, fleecy suds.

and have this modern laundry
clean your curtains in this modern
way, and once again they will
drape beautifully smooth and true
as when new, and lend fresh
beauty to your windows.

—You'll never bother again to do
them at home—worry with hooks
and stretchers, pin tears and
crooked corners—when you can
have us launder them so daintily
clean and shapely.
