"Music, Florists,

It's Easy to Entertain
if I Use the Buyer's
Guide."

"Making arrangements for a
party when Nancy comes home
from school for the holidays is
as simple as A-B-C.

"People think I am an unusual
manager, but that is because
I have learned to use the tele-
phone Buyer's Guide for any-
thing I need."

Incomplete Classification of
every branch of your business
in the Buyer's Guide is like
sending out salesmen who do
not know all the lines you
carry.
