AS SHE TYPES, COPIES APPEAR AT MANY POINTS AT ONCE A typist in one city, on a Telephone Typewriter, records an order, letter, bill or memorandum.

As her fingers touch the keys of her instrument, those exact letters appear simultaneously in other offices in the same building or in distant cities.

Such is the Telephone Typewriter, a new aid to modern business.

Office, plant, overcharge, all can be tied together by The Telephone Typewriter.

HENRY YEE---Herb Specialists

Henry Yee's Herbs are the best because his herbs have a college education. Yee spent 7 years at the University of California and the University of Michigan. After he received two degrees from the University of Michigan he went back to China for 6 years of intense study and research work for the 300 kinds of nature's herbs that God put in the ground for the very purpose of healing sick people. Besides this he has 17 years of practical experience.

To Whom It May Concern: January 16, 1931. I suffered from poison in my blood for 6 years with a sore in my forehead and on my knees. It looked terrible and gave me lots of pain. I have been doctoring for 2 1/2 years from American doctors and 2 years from an specialist. I was getting worse every day, finally a friend told me of Henry Yee. After two months of his treatment all my sores are gone and I feel fine. My wife and my 2 sons are certainly very happy to recommend Dr. Henry Yee to anyone who is sick. I certainly owed my life to Henry Yee. (Signed) T. E. PARKER, 1909 C St., Sacramento, Calif.

To Whom It May Concern: January 3, 1931. After suffering for seven years with stomach trouble I found quick relief through Henry Yee's herbs. I was unable to keep any food on my stomach, being nauseated immediately after eating and also suffering considerably from heart burn, soreness and constipation. After being treated by a number of doctors with no good results I decided to try Chinese herbs. I had about given up hope of relief when Mr. Yee's herbs were recommended to me and after a few weeks' treatment am now completely cured and am working for the "Fish" 9th and J Streets, Sacramento. If anyone is sick, I can highly recommend Henry Yee as the best herb-ally. (Signed) MRS. MARY PARENTI, 925-47th St., Sacramento, Calif.

For the Hard of Hearing

A special telephone has been developed by the Bell System for the aid of those with impaired hearing.

Installed in the home or office, it amplifies the volume of sound, making it possible, in many instances, for those who experience difficulty in hearing to hear more easily.
