Your telephone has many happy, human uses. When the family is scattered by business, school or vacation. When friends move to other cities. When there are babies, birthdays or anniversaries. Then a friendly, personal greeting means so much . . . and costs so little.

FOR TELEPHONE USERS WHO ARE HARD OF HEARING
Important aids for the deaf have been developed by the Bell System. Those who are hard of hearing over the telephone can be provided with head sets and special amplifying equipment. Our business office will gladly explain.
THE PACIFIC TELEPHONE AND TELEGRAPH CO.

Without leaving your own home you can do the buying for an entire family by telephone, quickly, cheaply and efficiently. Whether you shop by telephone or in person, "Classified Telephone Directory" will be your guide to recognized products.
