

Send your voice over the miles... today!

TELEPHONING to other cities is an important part of your telephone's usefulness to you.

The service is fast, clear and dependable. Charges may be "reversed" on all classes of inter-city service, including station-to-station calls.

Your telephone now reaches nine-tenths of all other telephones in the world, and its usefulness to you is constantly increasing.

Why not call a friend in another city *today!*
