TELEPHONE "JACKS" OFTEN  
ADD GREATLY TO CONVENIENCE  
At desired points, "jacks" for a portable  
telephone may be installed in your home  
or business premises. A "plug" on the end  
of the portable telephone cord makes the  
telephone connection.

This is one of several special types of  
telephone service which are available for  
particular requirements.  
THE PACIFIC TELEPHONE AND TELEGRAPH CO.

Your telephone has many happy, human  
uses. When the family is scattered by  
business, school or vacation. When friends  
move to other cities. When there are babies,  
birthdays or anniversaries. Then a friendly,  
personal greeting means so much . . . and  
costs so little.
