

**DIRECTED FOOTSTEPS  
MAKE SHOPPING EASY**

Just a few moments spent in looking through the Classified Telephone Directory will direct you to what you want. There you will find where merchandise and services of all kinds can be had.

**HOW TO USE THE CLASSIFIED TELEPHONE DIRECTORY**

*First*—Look for the heading which logically describes the BUSINESS or the ARTICLE or the SERVICE desired.

Headings are indexed by the word or name descriptive of the Business, Article or Service, and are arranged in alphabetical order, determined by the sequence of the letters in the heading.

*Second*—Ascertain the telephone number of the concern with whom you desire to do business by examining both the listings under the heading and the display advertisements associated with the heading.

To find where to buy Trade Marked or Trade Branded items such as particular makes of automobiles, radios, vacuum cleaners, washing machines, etc., look among the listings under the heading descriptive of the business which supplies it, or look for the Trade Mark name indexed as a heading.

If for any reason you cannot find a heading descriptive of the Business, Article, or Service you wish, or if you desire further information concerning the Classified Telephone Directory, please call the Business Office and we will be glad to assist you.
