The Classified Telephone Directory will simplify your shopping for staple articles, help you locate the nearest plumber, electrician, coal company, dry cleaner or any of a host of concerns whose services you need.

The "Where to Buy It" feature tells you instantly where familiar articles are sold. You will find the products you want to buy listed under their own names, together with their familiar trademarks and the dealers who sell them.

IT PAYS to have a TELEPHONE

When concluding a business interview, it's worth while being able to say, "This is my telephone number." And when your friends want to reach you quickly, or you want them, how much a telephone means! Nothing does so much for so little
