If you forget the name of a store—do you know that you can find it quickly by looking for the address under its business classification in the Yellow Pages.

Efficiency...Simplicity

For Homes and Offices

1 Connects the telephone with an outside line to make or receive a call
2 Connects the telephone with a second outside line to make or receive a call
3 Connects the telephone with a third outside line to make or receive a call
H Holds a call on an outside line while making or receiving a call on another line
L Connects the telephone with inside line to make or receive an intercommunicating call

A telephone and switchboard combined in one piece of equipment at each location. Provides intercommunication and outside service.

For information call our Business Office.
