## How to Transact Business with The Company

### ORDERS FOR SERVICE

To arrange for new service you may give your order to our Business Office or to any Telephone Company employee. If this is not convenient, we shall be glad to forward a service application to you for signature.

If you wish telephone instruments moved from one location or address to another location or address, service discontinued, additional

Our aim is to render a service that will give complete satisfaction to our customers. If at any time difficulties are not promptly corrected or unsatisfactory conditions continue after calling the Business Office, we shall appreciate your communicating the facts directly to the Manager.

listings placed in the directory, etc., the Business Office should be notified by telephone or letter in advance.

### BILLS AND PAYMENTS

Bills for service are usually rendered at regular intervals and are due and payable upon presentation. Payment should be made either by mail or at the Business Office. Information regarding bills or an explanation thereof may be obtained from our Business Office.

## General Information for Customers

### IDENTIFICATION OF EMPLOYEES

Employees of the Company, whose duties require them to enter the premises of subscribers, are supplied with identification cards. If you have any doubt as to the right of a person to represent himself as an employee of this Company, you should request him to present his identification card.

Please call the Business Office if any unauthorized person requests access to, or tampers with, telephones or other equipment.

### RULES AND REGULATIONS AND TARIFFS

Copies of our rules and regulations and schedules of exchange rates are on file at our Business Office and are open to public inspection.

### RATES

Information included in this directory is based upon the rates and practices in effect at the time this directory was closed for printing and is subject to such changes as may be made from time to time.

### ATTACHMENTS TO TELEPHONES

No apparatus or appliance not provided or authorized by the Company will be permitted for use in connection with its telephones and lines. The devices claimed by agents to eliminate noise, destroy germs, supplant the directory, etc., are usually detrimental and interfere with good service.

### TELEGRAMS BY TELEPHONE

To facilitate sending telegrams or cablegrams you should call telegraph companies as listed in the alphabetical directory.

Charges for telegraph messages of The Pacific Telephone and Telegraph Company at all exchanges, and the Postal Telegraph-Cable Company and The Western Union Telegraph Company at certain exchanges, placed by telephone, will be billed by the Telephone Company on its bill for telephone service, or, if sent from a public coin box telephone, the charges will be collected at the time the message is sent.

### TIME SERVICE

The time may be obtained upon request from the local operator. The charge for this service will be the same as the charge at your regular rate for any other local call.

### VISITORS WELCOME

Our subscribers and patrons are invited to call at any of our central office buildings between the hours of 9 A. M. and 4 P. M. to visit the operating rooms.

Organizations may arrange to visit an office in a group. Arrangements should be made by calling our Business Office or through the Chief Operator.

### DIRECTORY LISTINGS

For each subscriber a listing is included in the alphabetical directory without additional charge. Subscribers may arrange for additional listings, under regulations applying to such listings, to be placed in the alphabetical directory.

### ERRORS IN THIS DIRECTORY

The Company does not assume any liability because of errors or omissions in compiling this book. Sometimes, despite care and attention, errors will occur. Please check your listing in this directory. If it is incorrect in any way, please call the Business Office so that it may immediately be corrected in our records as well as in subsequent issues of the telephone directory.

### CHANGES IN DIRECTORY LISTINGS

In order that your listing may be shown correctly in the following directory issue, you should notify the Business Office, preferably in writing, of any change that may occur, such as the city changing your house number or street name, as soon as the change is made.

To lessen the possibility of error, it will be helpful if you report any changes in listings as these changes occur, rather than at the closing date of the directory, because of the great amount of work necessary in preparing the directory for the printer.

Changes can be made only up to the closing date.

### CLASSIFIED TELEPHONE DIRECTORY ADVERTISING

Rates and other information regarding advertising in the Classified Telephone Directory will be furnished upon request.

### COPIES OF THIS DIRECTORY

If you desire additional copies of the directory, or if you do not wish a directory for each telephone you have, you may arrange with the Business Office and your requirements will be cared for.

### DIRECTORIES OF OTHER CITIES

Telephone directories of other cities may be consulted at our Business Office. If it is desired to purchase copies of these directories, they may be supplied by arrangement with our Business Office.
