IT PAYS
to have a
TELEPHONE

When concluding a business interview, it's worth while being able to say, "This is my telephone number." And when your friends want to reach you quickly, or you want them, how much a telephone means!

Nothing does so much for so little.

Why not do it by TELEPHONE?

Those trips you make down town . . . they take strength and time.

Those frequent trips to market . . . A telephone is such an aid to the thrifty, helping you to compare prices.

In emergencies little and big, how much a telephone right at hand can mean to you!

May we send a representative to tell you more about the service? Just call our Business Office.
