Efficiency... Simplicity

For Homes and
Offices

- 1 Connects the telephone with an outside line to make or receive a call
- 2 Connects the telephone with a second outside line to make or receive a call
- 3 Connects the telephone with a third outside line to make or receive a call
- H Holds a call on an outside line while making or receiving a call on another line
- L Connects the telephone with inside line to make or receive an intercommunicating call

A telephone and
switchboard combined
in one piece of equip-
ment at each location.
Provides intercommu-
nication and outside
service.
