IS IT EASY TO DO BUSINESS
 WITH YOU?

Customers of firms using Interexchange
 Receiving Service are finding it that way.

Interexchange Receiving Service will
 make your customers' telephones your local
 representatives, ready to take an order any
 time of the business day.

This service gives you out-of-town rep-
 resentation where you want it, more intensive
 market coverage, and reduced sales cost.

Let one of our representatives tell you
 about it.

IT PAYS

to have a
 TELEPHONE

When concluding a business in-
 terview, it's worth while being
 able to say, "This is my telephone
 number." And when your friends
 want to reach you quickly, or
 you want them, how much a
 telephone means!

Nothing does so much for so
 little.

Your telephone has many happy, human
 uses. When the family is scattered by
 business, school or vacation. When friends
 move to other cities. When there are babies,
 birthdays or anniversaries. Then a friendly,
 personal greeting means so much . . . and
 costs so little.
