AS SHE TYPES, COPIES APPEAR AT MANY POINTS AT ONCE

A typist in one city, on a Teletypewriter, records an order, letter, bill or memorandum.

As her fingers touch the keys of her instrument, those exact letters appear simultaneously in other offices in the same building or in distant cities.

Such is the Teletypewriter, a new aid to modern business.

Office, plant, warehouse, all can be tied together by the Teletypewriter.

IS IT EASY TO DO BUSINESS WITH YOU?

Customers of firms using Interexchange Receiving Service are finding it that way.

Interexchange Receiving Service will make your customers' telephones your local representatives, ready to take an order any time of the business day.

This service gives you out-of-town representation where you want it, more intensive market coverage, and reduced sales cost.

Let one of our representatives tell you about it.
