Telephone **2-2931**

We cannot get all the switchboards and other equipment needed to meet the telephone demands of the times. So we must make the most of the present equipment. That's why "Information" appreciates your looking in your Directory for listings before you ask her assistance. It helps to keep her lines and facilities clear for the use of all who need her aid.

When in doubt about a telephone number, please look in the telephone directory first. That way, you, help others, and helps telephone people to do a better job for you.
