**PLEASE LISTEN**  
**for the DIAL TONE**  
**BEFORE DIALING**

That "dial tone," a steady hum, is the signal that the equipment is ready to receive a call. It corresponds to an operator's "Number, please?"

Long Distance lines get busier every day. But with your help, we can give good service on all essential calls.

Sometimes the circuit you want may be extra busy. When that happens, the operator will ask you to limit your Long Distance call to 5 minutes. Thank you for all your fine co-operation.

Lips close to the Telephone for best results

Please speak distinctly when you telephone, with lips close to the mouthpiece.

Just as you can't hear when you take your ear inches from the receiver, so others can't hear unless you keep your lips close to the mouthpiece.
