When the Long Distance circuit you want is extra busy, the operator will ask you to limit your Long Distance call to 5 minutes.

It won't happen on all circuits, all the time. But when it does happen, we know you'll understand why.

It will help to give the other fellow a chance. Tomorrow that other fellow may be you.

## Please DIAL CAREFULLY

Careless dialing puts other people to needless bother—and delays your call. Please make sure of the right number, listen for the dial tone, then dial carefully.
