

DIALING

LOCAL CALLS

1. Obtain the correct number from the latest issue of the telephone directory. If the listing is not found, please call "INFORMATION".
2. Do not dial out-of-town numbers.
3. Listen for the dial tone.
4. Dial the digits of the number from left to right.
5. Remove finger and let the dial return freely after each digit is dialed.
6. If a mistake in dialing has been made, replace the receiver and dial the numbers again.
7. If, while dialing, another party has come on the line, replace the receiver for a moment and then dial the number again; otherwise a wrong number may result. If, before you start to dial, you hear the dialing of another party, announce the interruption, replace the receiver and make your call later.

DIRECTORY FACTS

COPIES OF THIS DIRECTORY

Use of an out-of-date directory interferes with good telephone service, as each new issue contains many changes in numbers and listings.

Simply as a matter of good service, the Telephone Company retains ownership of telephone directories.

For this reason we ask that they be given to the delivery man at the time the succeeding issue is distributed.

DIRECTORIES OF OTHER CITIES

Telephone directories of other cities may be consulted at our Business Office.

If you desire any copies, they may be obtained at an additional service charge by arrangement with the Business Office.

OTHER MATTERS

IDENTIFICATION OF EMPLOYEES

Employees of the Company are supplied with identification cards. If you doubt the right of a person to represent himself as an employee of this Company, please call the Business Office.

ATTACHMENTS TO TELEPHONES

In the interest of good service, please do not use any devices on telephone equipment except those furnished by the Company. The devices claimed by agents to eliminate noise, to destroy germs, etc., are usually detrimental and interfere with good service.
