Long Distance lines get busier every day. But with your help, we can give good service on all essential calls.

Sometimes the circuit you want may be extra busy. When that happens, the operator will ask you to limit your Long Distance call to 5 minutes. Thank you for all your fine co-operation.

FOUR Thoughtful ITEMS OF TELEPHONE PROCEDURE

1. Please answer promptly.
2. Please be on the line when your called party answers.
3. Please speak distinctly and slowly, with the lips just clearing the transmitter.
4. Please replace the receiver gently when through talking.

The nation-wide telephone network is carrying a huge volume of traffic, much of it dealing directly with war and war production—and must continue to handle that ever-mounting traffic with the equipment at hand.

We need your continued co-operation. We ask that only really necessary calls be made to cities and towns busy with war work.
