Sometimes, when you've a Long Distance call to a war-busy place, the operator will say—
 "Please limit your call to 5 minutes."
 Whenever we have had to ask that Long Distance calls be kept to 5 minutes, there has been a fine spirit of co-operation from the public.
 We want to say thanks for that.

Two friendly telephone habits: QUICK to answer when your bell rings; SLOW to hang up when you call someone who does not immediately respond. In calling others, remember that the called person may be almost there—so wait a few seconds longer.
