Among many things that have to be set aside for "the duration" is the building of more telephone lines, more switchboards and central office equipment for us here at home.

We need your continued co-operation. We ask that only really necessary calls be made to cities and towns busy with war work.

Your understanding . . . your teamwork . . . are deeply appreciated.

Lips close to the Telephone for best results

Please speak distinctly when you telephone, with lips close to the mouthpiece.

Just as you can't hear when you take your ear inches from the receiver, so others can't hear unless you keep your lips close to the mouthpiece.
