**"Give SEVEN TO TEN  
to the SERVICE MEN"**

They're busy during the day. A few  
hours each night are about the only  
time they have to telephone. Wouldn't  
seem right if a casual call of yours held  
up a soldier's call back home.

Best way to avoid that is to *play safe*  
and not place any Long Distance call  
between 7 and 10 P.M. unless it is  
*really urgent*. Tonight and every night  
"give seven to ten to the service men."
