It takes 12,000 telephone calls to build just one bomber. Thousands to make a jeep. The whole war program requires thousands and thousands of Long Distance calls every day—many right from this locality.

We want these war calls to go through sure and fast and we know you do, too. We can keep on pushing through all essential calls if you will go easy on un-essential ones.

THE  
CLASSIFIED  
TELEPHONE  
DIRECTORY

is a

Ready Reference Book

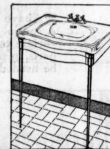

found in every home and business concern in your city. ¶ You can get orders by having your name prominently displayed under the various headings pertaining to your business.
