Make the Classified Telephone Directory your buying guide—it can save you time and effort.

Lips close to the Telephone for best results

Please speak distinctly when you telephone, with lips close to the mouthpiece.

Just as you can't hear when you take your ear inches from the receiver, so others can't hear unless you keep your lips close to the mouthpiece.

"Give SEVEN TO TEN to the SERVICE MEN"

NIGHT-TIME is about the best time a service man has to call home.

That's a good point to remember when you feel the urge to make a Long Distance call between 7 and 10 P.M.

If it isn't important, we hope you won't make it. Let the men in service have first call on the wires.
