Among many things that have to be set
 aside for "the duration" is the building of
 more telephone lines, more switchboards
 and central office equipment for us here
 at home.

We need your continued co-operation.
 We ask that only really necessary calls be
 made to cities and towns busy with war
 work.

Your understanding . . . your team-
 work . . . are deeply appreciated.

A store may not immediately come to
 the mind of a prospect when special ser-
 vices are desired, such as are offered by a
 Beauty Salon, Radio or Watch Repairing
 Department. Many establishments, realiz-
 ing this, advertise under several classifica-
 tions in the Classified Directory. Thus they
 direct more business their way.
