If you find the Long Distance circuits busy, you'll know that war is on the lines. When this happens, if possible, please cancel your call.

"Give SEVEN TO TEN to the SERVICE MEN"

NIGHT-TIME is about the best time a service man has to call home.

That's a good point to remember when you feel the urge to make a Long Distance call between 7 and 10 P.M.

If it isn't important, we hope you won't make it. Let the men in service have first call on the wires.
